Overview

Avery L7166-100 BlockOut Shipping Labels (White) 99.1 x 93.1mm (Pack of 600 Labels)

Avery printable parcel labels are designed to stay put on your letters and parcels.

Whether you're printing in black and white or adding colour, these super white labels will look sharp and smart on your envelopes or small packages.

There's also UltraGrip Technology on all our printable laser labels, ensuring the perfect print alignment every time! And with our QuickPEEL technology, applying labels to envelopes is fast.

Simply divide the 6 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Ideal for labelling parcels.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

The label format is 99.1 x 93.1mm with 6 labels per sheet and is an ideal size for applying to parcels.

And, with our free template software, Avery Design and Print, you can easily create mailing labels with your company logo for instant brand recognition and use the quick and simple mail merge function for those large mailings.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to ensure perfect print alignment
- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Made from FSC certified paper from responsibly-managed forests
- Compatible with most ecommerce platforms
- Save time with our FREE, easy-to-use template software; Avery Design and Print
