Overview

Kensington MicroSaver Laptop Lock - Keyed Different

Deter thieves from stealing your laptop and the personal information on it.

Patented T-bar locking mechanism and high-carbon steel cable provide maximum protection that attaches to the standard Kensington security slot found in 99% of laptops.

Secure, protect and lock down your computer and leave it safe.

- 1.8m long, 4.5mm thick carbon-tempered steel cable provides powerful protection anywhere
- High security, tamper-evident lock
- · Convenient Hook-and-Loop strap for compact travel storage
- · Free registration and key replacement service
- Easy to install & use for use in the office or when travelling
- Locks into the standard Kensington security slot found in 99% of notebooks, and many flat panel monitors, CPUs, projectors, printers, docking stations, tablet PCs, and other devices
- Sleek styling and design won't block notebook ports or lift a notebook off the desk
- · Lifetime warranty
