### Overview

---

Cadbury Dairy Milk (45g) Chocolate Bar (Box of 48)

We love Ghana and we love farmers.

Which is why we love farmers from Ghana.

In fact we've been working with them for 100 years.

So we're really excited this chocolate is Fairtrade certified.

Now you get the same delicious tasting Cadbury Dairy Milk with not just a glass and a half of fresh milk from the British isles, but with Fairtrade Ghanaian cocoa beans too.

A wonderful treat to share around the office.
