Overview

Avery QuickPEEL (99.1 x 38.1mm) Addressing Labels (White) Pack of 7000 Labels

Avery printable address labels are designed to stay put on your letters and small packets.

Whether you're printing in black and white or adding colour, these super white labels will look sharp and smart on your envelopes or small packages.

There's also UltraGrip Technology on all our printable laser labels, ensuring the perfect print alignment every time! And with our QuickPEEL technology, applying labels to envelopes is fast.

Simply divide the 14 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Ideal for labelling DL envelopes.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

The label format is 99.1 x 38.1mm with 14 labels per sheet and is an ideal size for applying to DL envelopes.

And, with our free template software, Avery Design &Print, you can easily create mailing labels with your company logo for instant brand recognition and use the quick and simple mail merge function for those large mailings.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.
