Overview

Avery L4775-20 Heavy Duty Laser Labels (White) Pack of 20

Need your outdoor signs to attract attention? Whether it's to display opening hours, promotions or special offers you'll want signs that customers or passers' by can see.

Come rain or shine outdoor signs need to be strong so they don't get damaged by extreme weather conditions.

Heavy Duty Labels are ideal for outdoors as they are more durable than a normal paper label.

It's cheaper than paying for made to order signs and you can create them as you need them in your office.

Just design your signs using the free templates and software.

The A4 label gives you the flexibility to use as it is or to cut down to the size you need.

- Extra durable labels - perfect even for outdoor use
- For more durability than a normal paper label use Avery White Heavy Duty Labels
- Ideal for: marking your property with your contact details, labelling products or brochures for sale or display, creating warning signs or instructions
