Overview

Avery Mini (38.1 x 21.2mm) Laser Labels (White) Pack of 1625 Labels

Make undelivered mail a thing of the past by adding your return address to your mailings.

Avery Mini Address Labels are a great little way to ensure undelivered mail is returned to the sender.

These small sized labels come in 65 labels per sheet and are guaranteed to run smoothly through your laser printer.

Whether you're printing in black and white or adding colour, these super white labels will look sharp and smart on the back of your envelopes.

And with our QuickPEEL technology, applying labels is fast.

Simply divide the 65 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

You can easily create your return address labels using our free template software, Avery Design &Print.

Also why not try our mini labels for labelling files and folders even product labelling? The label format is 38.1 x 21.2mm with 65 labels per sheet.

- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Label sizes perfectly optimised for all standard envelopes
- Made from FSC certified paper from responsibly-managed forests
- Compatible with most mass mailing platforms
- Save time with our FREE, easy-to-use template software; Avery Design and Print
