Overview

Fellowes Pulsar+ 300 (A4) Comb Binding Machine

The Pulsar+ 300 comb binder is designed for regular use in small offices.

It can punch up to 17 sheets of paper at a time with an overall binding capacity of 300 sheets using a maximum comb size of 38mm.

Pulsar+ 300 is engineered with user friendly features that allow straightforward, efficient document binding, including an adjustable edge guide for accurate paper alignment and a storage tray with a comb and document size guide which enables the quick selection of the correct size supplies.

The chip tray automatically bursts open when full to eliminate punching jams.

Pulsar+ 300 includes a starter kit for binding 10 documents and comes with a 2 year warranty.

- Ideal for use in the Small Office
- Punches up to 20 sheets at a time (80gsm)
- Binds documents up to 300 sheets - max comb width 38mm
- Storage tray with patented comb & document measure allows user to select quickly
- Chip tray with burst out feature to eliminate jams
- Vertical sheet loading ensures consistent punch alignment
- Adjustable edge guide aligns sheets accurately
- Includes binding starter kit for 10 documents
