Overview

Bic Atlantis Pencil 0.7mm

BIC Velocity Pro is a versatile mechanical pencil that allows you to write and draw neatly and easily correct any mistakes you make.

With 0.7mm HB leads, the pencil is comfortable to hold thanks to its 'S' curve cushioned grip.

It comes in classic grey and fashionable purple, green & turquoise barrels, making it great for impressing school friends!

- Retractable tip reduces lead breakage
- Rubber grip for comfort
- Eraser end
- Takes 0.7mm leads
