Overview

Bic Disposable Fountain Pen with Ink Window & Iridium Nib (Blue) Pack of 12

BIC All in One is a convenient disposable fountain pen that doesn't need any messing around with ink cartridges, making it great for busy classrooms.

It is available with blue ink, and its body is partially transparent so you can easily see how much ink you have left.

The medium stainless steel nib allows for neat writing at home, at school or in the office.

- New disposable fountain pen for smooth and comfortable writing
- Iridium nib for improved strength and resistance to writing pressure
- Viewing window shows ink remaining so that you know when to replace
- Line width: 0.7mm
- Packed 12
- Blue
