Overview

Canon i-SENSYS MF416DW (A4) Mono Laser All-in-One Printer (Print/Copy/Scan/Fax) 1GB 3.5 inch Colour LCD 33ppm (Mono) 50,000 (MDC)

Enjoy laser-quality print, copy, fax and scan plus convenient Touch and Print NFC technology with the smart, simple and compact MF416dw black and white Multifunctional printer, a great addition to your small business.

Small businesses can gain a welcome productivity boost from the MF416dw A4 black and white laser Multifunctional printer.

Offering professional-quality printing at speeds of up to 33ppm, the MF416dw is versatile enough to handle all your document needs despite its impressively compact size.

An intuitive 3.5 inch colour touch screen, 300-page paper capacity and Quick First-Print from start-up all help your teams to work more efficiently and without interruption.

The MF416dw also offers security convenient privacy feature: the Secure Print function protects your documents with a PIN code, even when you're printing from a mobile device.

Smartphones and tablets are changing how we all work, and with NFC Touch &Print users can experience near-instant printing from compatible mobile devices by simply tapping it on the printer's NFC mark.

For added choice and convenience, support for Google Cloud Print, Apple AirPrint (iOS), Mopria (Android) and the Canon PRINT Business app mean you can access and print documents from mobile devices.

Easy, flexible printing at your fingertips.

The cloud-ready MF416dw can help your business to become more agile.

Using the MF Scan Utility (for PCs/laptops) and the Canon PRINT Business app (for mobile devices), everyone can connect seamlessly between the MF416dw and popular cloud storage services like Evernote and DropBox to capture, digitise and share documents on the go - or simply to scan and email in a single operation.

With a host of flexible networking capabilities, the MF416dw makes a perfect addition to your network.

- Black and white A4 laser Multifunctional printer with WiFi that's tailor-made for small businesses
- Fast, professional-quality printing at up to 33ppm
- Rapid and convenient NFC Touch &Print technology with compatible mobile devices
