

D-Line Extra Heavy Duty 3 Channel Cable Cover (910mm x 473mm x 75mm) DL64736

DL64736
DX-3RB910

Dimensions : 910cm (W) x 473cm (D) x 75cm (H) -
Weight 17.06kg
Distributor Numbers : Vow Code: DL64736
Form Factor : Cable Management
Product Type : Cable Management

Pack Quantity 1
Price : £127.48

Overview

D-Line Extra Heavy Duty 3 Channel Cable Cover (910mm x 473mm x 75mm)

Cavity size 3x 53x52mm.

Made from high-grade virgin polyurethane (PU) to provide outstanding tear & shear strength, and also exceptional abrasion, tensile and compression stress resistances (superior to PVC or recycled rubber alternatives).

These rigid lengths can be simply joined by interlocking male:female connectors.

Can accept all vehicular traffic (UK max 11.5t axle weight).

Tapered design & non-slip treads for pedestrian traffic.

Solid base with compartmentalised channels, and toughened-hinged lids.

Suitable for armoured cables, hoses and pipes.

Carrying handle on reverse side.

End caps can provide perfect finish.

Longevity of use enables exceptional value.

Produced in UK.
