Overview

Edding 950 Industry Painter Permanent Marker High Opacity Durable 10mm Line Yellow Ref 950-005 [Pack 10]

Operating a well-functioning business can sometimes be a bit tough, especially when it involves rough, soiled, rusty or wet materials.

For those occasions, the edding 950 industry painter is the go to option.

Its smudge-proof, highly opaque colour paste marks another high of industry proven permanent marking possibilities - even for those who work below the water surface, since this edding is i.e.

used by professional divers marking ships.

The extremely durable and lightfast colour paste is an easy choice for tough surfaces.

- Industry paste marker for highly permanent marking on rusty or rough surfaces, e.g. metal, stone and wood
- The colour paste has a stroke width of up to 10 mm
- Paste markers with twist-out wax-like nib
- The highly opaque and highly permanent colour paste is waterproof, smudge-proof and extremely lightfast
- Can even be used for writing on clean surfaces under water
- Available in the colours black, red, blue, yellow and white
