Overview

Colop 2010/P Self Inking Metal Numberer

The COLOP 2010/P Heavy Duty Self Inking 10 Band 5mm Numberer with text plate: A high quality product, which has been developed for sturdy use and to meet high demands.

Balanced use of different materials: burnished steel guarantees the stability, synthetic materials insure the smooth action of the sliding parts and allow the machine an altogether more attractive and fashionable appearance.

Stable and beautifully designed metal frame.

Smooth and quiet action of the sliding parts.

- Easy personalisation by exchanging the handle cap. Upside down position for easy text plate assembly
- Quick drying ink helps to insure that the imprint can not be blurred
- A self releasing locking device is integrated into the handle to lock the text plate holder in 2 positions
- Position 1 for exchanging the replacement pad and adjusting the date to the height of text plate
- Position 2. for affixing the die and setting the date
