Overview

Epson (A3+) Heavy Weight Matte Paper (50 Sheets) 167gsm (White)

Offering a level of high quality with a large capacity to match, Epson Heavyweight Matte Paper Rolls offer a matte 167/m² paper finish.

Our paper rolls are ideal for printing jobs that demand extra length and that laminate easily.

Epson Heavyweight Matte Paper is the best media for producing photographic quality output for user requiring a cost-effective matte paper.

Applications include promotional pieces, layouts, courtroom graphics, proofs, indoor displays and posters.

This paper is also an economic alternative when the highest colour photographic images are not needed.

It is easy to laminate, offering further protection from light and moisture.

Like all Epson innovative media, this paper is engineered to give you the highest resolution and colour saturation possible.

Epson's printer driver software actually optimises the amount of ink released onto the page, based on the type of paper used.

As always, Epson supplies guarantee Epson quality.
