

Epson Ink Bottle 70ml Black T6641 EP54097

EP54097
C13T664140

Compatible Printer(s) : L-Series Ink Tank
Distributor Numbers : Vow Code: EP54097
Industry Standard Product Classification : 43150
Ink Colour(s) : Black
Ink Volume : 70ml
Model Name : T6641
New/Remanufactured : New
Original/Compatible : Original Manufacturer
Pack Quantity : Total 1 Piece(s)
Product Type : Ink Bottle
Single or Multi Colour Cartridge : Single
Yield : 4,000 Pages

Pack Quantity 1
Price : £7.30

Overview

Epson Ink Bottle 70ml Black T6641 EP54097

Epson provides ink cartridge yields based on the ISO/IEC 24711 and 24712 standard for inkjet products.

The ISO standard is widely recognised as the most reliable method to test inkjet printers under standard conditions for the purpose of comparing achievable ink yields from various competitive printers.

Yields may vary considerably based on images printed, print settings, paper type, frequency of use, humidity and temperature.

Since no single yield standard can duplicate a customer's actual printer usage, Epson recommends that customers choose an inkjet printer based on their expected printing needs, considering page yields as just one factor of evaluation.

Other important factors include image quality, fade resistance of prints, reliability and printer features.
