

Energizer Ultimate Lithium LR03 (AAA) Battery (Pack of 10 Batteries) ER34353

ER34353
634353

Battery Size : AAA
Colour(s) : Silver
Distributor Numbers : Vow Code: ER34353
EC Commodity Code : 85065090
Fast Charge Capability : No
Form Factor : Battery
Industry Standard Product Classification : 51242
Model Name : LR03
Product Family : Ultimate
Product Type : Lithium-Ion Battery
Recharge Cycles : Up to None
Rechargeable : No

Pack Quantity 1
Price : £22.12

Overview

Energizer Ultimate Lithium LR03 (AAA) Battery (Pack of 10 Batteries)

The world's longest lasting battery (AAA & AA in hi-tech devices).

Ultimate Lithium is a high performance battery ideal for power hungry devices such as digital cameras and MP3 players.

Lasts up to 8 times longer than standard alkaline batteries (in digital cameras).

Takes up to 680 photos (results vary by camera).

Performs in extreme temperatures -40°C to +60°C.

33% lighter than alkaline batteries.

Size: AAA.

1.5 volts.

Packed 10.
