Overview

Handsafe Powdered Natural Latex Gloves Large (Pack of 100) GN03

Handsafe Powdered Natural Latex Gloves Large (Pack of 100) GN03 These gloves are made of natural latex rubber for a comfortable fit and flexibility and are easier to pull on thanks to the powdered coating.

A host of tests including visual inspection and water pressurisation ensure conformity with European medical hygiene and protection standards.

These gloves provide safe protection for practitioners in medicine, dentistry or beauty.

Latex gloves for medical, lab or beauty use Lightly powdered: easier to put on, reduces perspiration Smooth for improved comfort Natural rubber latex for flexibility CE Category III-rated for chemical and microbiological protection Thoroughly tested to EU standards (EN455, EN420 and EN374) Colour: Natural Size: Large
