## Overview

UniBond Power Tab (300g) Pearl Moisture Absorber Scented 3-in-1 Refill Tab (Fruit Sensation) Pack of 2 Tablets

UniBond's Power Tab refills use innovative 3in1 technology, which helps combat the effects of unwanted moisture by absorbing the excess humidity and neutralising odours.

For 6-8 weeks, the Power Tab refill will convert excess humidity into a salty solution, which is collected in the Humidity Absorber's tank - watch the first drops appear within 24 hours! When the Power Tab refill has fully dissolved, simply pour the salty solution away into a toilet/sink using the device's spout, and replace the Tab with the Small Refill (300g).

When it has fully dissolved, replace with a new UniBond Moisture Absorber Pearl) Refill Power Tab.

The UniBond Pearl Power Tab is composed of ultra-absorbent active crystals which ensure optimal efficiency.

A refreshing fruity fragrance with essential oils.

- Last for 6-8 weeks
- Optimised Crystal Formulation
- Fruit Sensation Scent
