Page life - 260.

- Based on HP light fade testing under glass using HP Premium Plus photo papers. Using genuine HP supplies ensures availability of all HP printing features
- Share your clear, vibrant images - even on plain paper
- Print photos at an affordable price
- Specially formulated dye-based ink for vibrant colours
- Carefree printing - alerts let you know when ink levels are running low. Printer adjusts to individual cartridges to ensure consistently high quality printing. System checks cartridge installation and confirms that it's a genuine HP product
- Print photos with exceptional fade resistance and make sure those moments stay as vivid as the day you captured them. Proprietary inks specially formulated for this cartridge to provide superior fade resistance

on HP Premium Plus photo papers

- Produce attention-grabbing charts and graphics and bright, rich photos with excellent colour saturation.
- A central part of HP's inkjet colour printing system - can be used with other HP print cartridges to deliver 4-, 6- or 8-ink printing
