Overview

Rapesco 55 Heavy Duty Stapler (Black)

Stapling up to 210 sheets (80gsm) with little effort - the Rapesco AV-55 Heavy Duty stapler.

With tough metal construction and hardened ABS body, the AV-55 is a heavy-duty work horse that's ideal for those high-capacity, demanding stapling jobs.

Feature rich, the AV-55 has a contoured handle with inset grip, a personalisation window and an easily adjusted paper guide to help manage large paper stacks along with an anti-slip base to aid the heavy duty functionality of this stapler.

With an adjustable depth gauge from 7-62mm, this stapler benefits from a central pivot design which provides maximum leverage - delivering huge stapling power with minimal user effort.

Loading the AV-55 is easy thanks to its push-button front-loading system and it fires Rapesco 923 Series staples from 8-15mm, we recommend checking the staple size required for the paper stack.

This stapler features a convenient staple viewing window which indicates the leg length of the staples loaded.

Beneath the casing is a rugged steel chassis which ensures the AV-55 will withstand years of heavy use and is backed by our 15 year guarantee.

- With a lever arm to make heavy duty stapling tasks easier
- Contoured handle with inset grip and tough metal construction with ABS body
- Central pivot design for maximum leverage
- Adjustable depth gauge 7-62mm

- Uses 923/8-23mm staples
