### Overview

---

Jalema Secolor (A4) Clip File (Blue)

The Clip File is available in both A4 and foolscap formats.

The Clip File is designed for storage of invoices, correspondence, projects, etc.

The dimensions of the file ensure that the tab sheets do not protrude beyond the file.

The file also has an additional flap that can be used as a page marker, cover flap or indicator strip.

- Leaf through like a book
- Easy insertion and removal
- Flexible tube; holes don't tear
- Strong Kraftliner cardboard
- Very bright colours
- PEFC™ certified
- Capacity: 200 to 250 Sheets
