Overview

Q-Connect (A3) Professional Laminator (Black/Grey)

Q-Connect A3 Professional Laminator KF17006 (Pack of 1).

This Q-Connect professional laminator will coat anything from business cards up to A3 documents and posters in 150 microns of plastic.

This is useful for protecting your important documents against dirt and water damage, and gives them a professional finish, making it perfect for business use.

With a warm-up time of 5 minutes, and a laminating speed of 410mm per minute, this laminator is ideal for quick, low budget tasks.

It also features LED indicators to let you know when it is on and ready, and a 4 roller system to improve laminating quality.

.

Create formal posters and documents with this A3 laminator .

Easy to use feeding system.

5 minute warm up time.

Laminating speed: 410mm per minute.

Laminating thickness: Up to 150 microns.

LED indicators show the machine is on and ready.

4 roller system further enhances laminating quality.
