Overview

Nescafe Dolce Gusto Latte Macchiato Pack of 48 Caps

This uniquely attractive coffee is an upside-down café latte with a little twist.

Beautifully smooth with a hint of sweetness, our Latte Macchiato pods turn into a stunning drink that will impress every time.

With a bottom layer of biscuit-coloured milk graduating to a layer of darker coffee, the Latte Macchiato is, in Italian, literally 'stained milk'.

The espresso sits on top of the milk to create its recognisable layered effect, and is then topped with delicious frothy milk.

The Latte Macchiato is then finished with an elegant dot of dark crema, its unmistakable signature.

You don't have to go far for a coffee that looks and tastes this good because your NESCAFÉ Dolce Gusto machine will help to craft a coffee-shop quality finish straight from your kitchen.

A lovely coffee for alone time, these latte pod drinks are also brilliant for creating 'wow' factor among friends.

They are a great addition to a NESCAFÉ Dolce Gusto Latte pod collection for something a little beyond the usual.

To enjoy the truly beautiful effect that makes these latte capsule coffees so distinctive, we recommend serving in our specially designed latte glasses, which are just the right size and style for your Latte Macchiato.
