Overview

Pilot FriXion Point Erasable Rollerball Pen 0.5mm Tip 0.3mm Line (Black) Pack of 12

Precise Hi-Tecpoint technology combined with FriXion ink delivers an incredible writing experience.

Erases cleanly by friction-generated heat, leaving no debris.

Uses the same ink to write and over-write.

Slim design and refillable.

Extra fine 0.5mm tip.

This product is not recommended for signatures, legal documents, examination papers or other documents where writing needs to be of a permanent nature.

To avoid accidental erasure, do not leave writing where it may be subjected to high temperatures for a prolonged period.
