Overview

Plantronics .Audio 310 Monaural Headset PLR02744

The .Audio 310 conveys exceptional voice precision in a monaural design that keeps you tuned to your surroundings.

Experience speech-based applications, Internet calls, and multiplayer gaming in crisp audio clarity.

A superior noise-cancelling microphone enhances speech accuracy while the design ensures you keep tuned in to your surroundings.

The QuickAdjust telescoping boom ensures full control over speech-based applications, Internet calls, and multiplayer gaming.

The adjustable monaural design fits comfortably on the left or right side.

It's easy to set up and install - just plug it in and start talking.

- Noise-cancelling microphone boosts speech recognition accuracy
- Monaural design allows you to stay in touch with your surroundings
- QuickAdjust telescoping, bendable boom assures ideal microphone placement
- Cushioned, swivel-mounted ear pads adjust to right- or left-side wearing style
- Two-year warranty
