### Overview

---

Plantronics SupraPlus HW251 Monaural Corded Headset

Plantronics SupraPlus headset sets the standard in audio performance.

SupraPlus is UC ready with wideband technology that ensures great incoming call quality. The Microphone boom is longer and sleeker; improving user positioning for better outgoing call quality and the ultra noise-cancelling microphone provides exceptional noise reduction.

All this enables much clearer conversations and less fatigue for office and contact centre workers.

- Wideband audio
- New boom and microphone design for enhanced noise reduction
- T-bar support and 'floating' receivers
- Lightweight, stylish and modern design
- QuickCall feature
- Robust design and construction
- Single-cable binaural or monaural receiver
- Hearing-Aid compatible
