Overview

Plantronics CS540A Super Lightweight DECT Headset (Black) - UK + Euro

The CS500 Series is a super-lightweight DECT headset with a 120 metre wireless range, ideal for working in busy hot-desking environments, and with the ability to connect up to four headsets on a single call.

Quick set-up and high-quality audio.

Pair with a base unit simply by docking the headset, enabling quick set-up in hot-desk environments.

CAT-iq wideband, DSP and a host of other advanced audio features deliver crystal clear, natural voice call clarity.

- CS540 convertible over-the-head or over-the-ear
- Hands-free productivity
- Outstanding audio quality
- Conference with up to three additional headsets
- Power-saving features
- Energy efficient adaptive power system optimizes for range and talk time
- Pair with a base unit by docking the headset, enabling quick setup in hot-desk environments
- Use with Electronic Hookswitch Cable or Handset Lifter to remotely answer/end calls
- Talk time: Up to 7 hours
- Earpiece weight: 22g
- Range: Up to 120 metres
