Overview

VFM Twin Panel Steel Platform Truck (Grey)

VFM Grey Steel Platform Truck Twin Panel (pack of 1) 317501.

This branded VFM item brings with it a range of benefits.

The base is made from pressed steel for underlying strength, covered with a slip-resistant PVC surface for cargo stability and all-round buffering to prevent damage to walls.

Four castors with extra large 200mm diameter wheels made of solid rubber ensure great mobility.

This model has fixed handles and panels at both ends of the platform and can support a maximum load of 500kg..

.

Heavy duty platform truck.

Extra durable pressed steel base.

Slip-resistant PVC surface with buffering for wall protection.

Fixed handles and panels at both ends.

Two fixed and two swivel castors (extra large 200mm rubber wheels).
