Overview

VFM 1 Metre Express Barrier Extension (Black/Yellow)

VFM Yellow/Black 1 Metre Express Barrier Extension (Pack of 1) 349740.

Extend your express barrier to the desired length using this 1 metre extension kit.

For use with the flexible plastic barrier system, the extender is quick and easy to fix to the barrier and to dismantle again when not in use.

Along with the barrier itself, the extension is lightweight and easy to store, and the 3 kg foot adds to the stability and ensures that it won't fall over.

With 2 rails it continues on the existing barrier and the 1 post rail serves as a final post..
