Overview

VFM Titan 2-Metre Barrier (Red) Pack of 2

VFM Titan Red 2-Metre Barrier (Pack of 2) 358784 Made from injection moulded plastic, the VFM Titan 2-Metre Barrier allows you to cordon off areas that are dangerous, such as areas where construction is underway.

The bright red design is a clear indicator of the potential of danger and is also highly visible and hard to miss.

Barriers can be linked together to form lines or boxes, giving you the flexibility to properly cordon off areas - even on uneven surfaces..

Titan barriers for demarcating dangerous areas.

Barriers can be joined together with ease.

Suitable for linear and box systems - even on uneven surfaces.

Reflective top panel conforms to BS EN873.

Barrier is 2m wide.

Colour: Red.

Supplied in a pack of 2.
