Overview

VFM (8mm) Screw Joint Connecting Links (White) Pack of 10

VFM White Connecting Links 8mm Screw Joint (Pack of 10) 360094.

These white connecting links are designed for use with the chain barrier system and are quick and easy to install.

The screw joint links enable you to customise and configure your chain barriers to any desired length.

You can still use your barrier both indoors and outdoors, as the links are weather proof and corrosion resistant as the original barriers are.

The 8mm screw joints will efficiently connect barrier chains as required..

.

For use with the chain barrier system.

Quick and easy to install.

Weather proof and corrosion resistant.

Suitable for both indoor and outdoor use.

8mm screw joints connect barrier chains together.
