Overview

VFM 1 Metre Traffic Separator (White)

VFM White 1m Traffic Separator (Pack of 1) 365242 Available in red and white, each separator can be securely linked with invisible joints for an attention-grabbing red/white barrier that's as short or long as necessary.

Fill them up with sand or water and they form a difficult-to-move wall to block off road lanes or prevent unauthorised access.

The barrier is 1000mm wide and 650mm high, providing effective demarcation and protection for road works et cetera..

Traffic management barrier.

Block off sections of road or premises.

Invisible linking joints for barrier strength.

Combine red and white separators for eye-catching contrast.

Secure placement: just fill with sand or water.

Stackable when not in use.
