Overview

VFM 48-Bin Storage Unit (Grey)

VFM Grey 48 Bin Storage Unit (Pack of 1) 383654.

A storage unit which has been lovingly crafted by a team in the know, this branded VFM product is perfect for companies with limited space for storage solutions.

Easy to use and boasting an array of spacious bins for the storage of various items, this product has even been given a subtle colour scheme for good measure.

Attractive, functional and one of the most hardwearing items of its sort on the market right now..

Storage unit features 48 bins.

Also includes 9 shelves - each taking 100kg.

Bins made from high strength polypropylene co-polymer.

Flat packed for easy assembly.

Bin Size: 280x140x130mm (LxWxD).

Dimensions: 900x400x1800mm (WxDxH).

Colour: Grey.
