Overview

Sennheiser Office DW 10 Wireless DECT Headset ONLY SEN05035

DW Office is a single sided DECT headset.

Enjoy your calls in HD voice clarity and get natural high definition sound for superior voice clarity.

Work safely ensured that the ActiveGard technology will protect your hearing.

Imagine making every call in comfort, and being able to focus on what's important: the conversation.

DW Office connects to both desk phone and softphone.

- Unique Premium Design - Crafted for comfort
- High Comfort Wearing Styles - Choose between ear hook and headband wearing style
- Intuitive user interface - Mute microphone and adjust volume up or down
- Sennheiser HD Voice Clarity - Wideband sound for a more natural experience
- Full workday Talk Time - 8 hours in wideband sound mode and 12 hours in narrowband sound mode
- Intelligent fast charging - 50% in 20 minutes gives you 4 hours talk time
- Long Distance Wireless Range - In typical office building: Up to 55 m and in line of sight: Up to 180 m
- Protected hearing - ActiveGard technology protects against acoustic shock and sudden sound surges
- Boosted productivity - Noise-cancelling microphone filters out unwanted background noise
- Desk phone & softphone - Switch from one communication channel to the other. One touch on the base station to select the channel you wish to call from
- Intuitive and Easy pairing - For desk sharing and phone conference
- GAP compatible
- EHS (electronic hook switch) only with accessories (e.g. EHS-cable) mechanical handset lifter accessory HSL 10 available

- Softphone Call Control Software Head Setup included on CD
- Microsoft Communicator compatible automatic acoustic shock prevention with ActiveGard
- EU/AU limit through DIP-switch nameplate for headset personalization
- Headset Auto-link switch on basis station
