Overview

Master Lock (18.55 litre) Large Security Chest Safe Key-Lock Fire/Water Resistant Black/Charcoal Grey (Single)

The Master Lock Large Security Chest protects your family's most important paper, media, and valuables from fire and flood damage.

The interior LED lighting makes the access to the content easy, even in dark spaces.

The Master Lock Fire-Safe Chest features ETL and UL verified 30 minute fire protection for paper and digital media up to 843°C.

The chest is also waterproof for up to 72 hours fully submerged for improved protection.

- Large Security Chest
- UL/ETL verified 30 minutes fire protection for documents, official papers and digital media (CD's, USB sticks) up to 843°C
- ETL Verified for water submersion to protect documents and other valuable items from flood damage
- Capacity: 18.55 litres
- Key lock - includes 2 keys
- Privacy key lock keeps documents and valuables away from prying eyes and prevent the lid from opening in the event of a fire
- Integrated LED lid light facilitates the access to the content
- Can be bolted down (mounting hardware not included)
- Proprietary fire and water resistant construction
