Overview

Master Lock (22.79 litre) Large Security Digital Combination Safe Electronic Lock Fire/Water Resistant Black (Single)

The Master Lock Large Digital Combination Safe is designed to protect documents, digital media and other valuables from fire, water, and theft.

60% bigger bolts than traditional safes and pry-resistant hinge bar provides additional security against unauthorized access.

It is UL verified for 1 hour fire protection for paper and digital media, and ETL verified water resistant.

This safe comes with a secure electronic lock and hardware kit for bolting to the floor.

- Large Security Digital Combination Safe
- Steel construction with fire and water protection
- Capacity: 22.79 litres
- 3 large, live locking bolts of 2,5cm diameter and pry resistant hinge bar for a higher level of resistance
- UL/ETL verified 60 minutes fire protection for documents, official papers, as well as digital items (CD, USB sticks) up to 927°C
- ETL Verified water protection up to 12cm for 24 hours to protect documents and other valuable items from flood damage
- ETL Verified to withstand a 4,5-meter drop during a fire and stay closed
- Programmable Digital Combination with backlit keypad for an easy use even in dark places: 2 resettable combinations + 1 Master combination (non programmable)
- Interior light, multi-position tray and built-in storage on the door
- Bolt down hardware included
