Overview

Taylors Decaf Ground Coffee 227g

This decaffeinated blend has all the great taste of Taylors coffee, but without the caffeine.

This blend has a strong, indulgent taste produced from slow roasted and ground beans, which capture the freshest flavour and seal in the rich, dark aroma.

These coffee beans make a reassuringly relaxing cup of coffee, ideal for your morning kick-start, a quiet moment of contemplation, or sharing with company.

This pack contains 227g of ground coffee.

Decaffeinated ground coffee.

Wonderfully flavoursome without the caffeine.

Slow roasted and ground beans sealed for freshness.

For indulging at home or sharing in the office.
