Overview

VARTA High Energy Battery AAA Pk 4 VR74766

High Energy is the most powerful of all VARTA batteries.

It was developed especially for power-hungry devices, e.g toys, portable radios, tape recorders and CD players.

Thanks to our Single Press Out solution you can remove each battery separately and distinguish cells from already used ones.

- Powerful energy for power-hungry devices, e.g. computer devices, audio equipment, toys etc
- Clear communication of recommended use by way of pictograms
- Made in Germany as the proof of origin on the blister front of the most important product types
- Single Press Out enables easy opening of the pack and good storage for unused batteries
