Overview

D-Line (32mm) Flexible Tube Cable Tidy (Black)

D-Line Black Flexible Tube Cable Tidy 32mm (Pack of 1) CTT1.1BAs cables become an increasingly important facet of business life, managing cables becomes more important.

With the D-Line Split Flexible Tube Cable Tidy, cables do not become tangled or knotted, preventing any damage and confusion.

The split design of the tube ensures that it is easy to add or remove cables - requiring no zip tool for use.

The flexible design of the tubing allows it to bend and flex without ripping or tearing, keeping cables neat no matter what..

Cable tidy tube.
