Weight 5.7kg
Distributor Numbers : Spicer Code: 141862 Vow Code:
DL64555
Form Factor : Cable Cover
Industry Standard Product Classification : 42300
Length : 1.8m
Product Type : Cable Cover

Pack Quantity 1
Price : £28.78

Overview

D-line (1.8m) Linkable Floor Cable Cover (80mm Wide) with C/W Connectors (Black/Yellow)

Floor Cable Cover does as its name suggests - covers cables across floors, protecting them while eliminating a common trip hazard.

The lengths are durable, abrasion resistant and will not discolour in sunlight.

All products are supplied coiled, and simply uncoil to lay flat.

D-Line Medium Duty Cable Covers can be joined together to make longer runs when necessary, by using our unique Push in - Pull Apart connectors.

All Medium Duty types have a (patent-pending) feature of being linkable, making them uniquely versatile.

Each length is supplied with 2 ribbed connector pins.

Simply push these connector pins into pin holes to join 2 or more lengths, to make the run as long as required! Pull apart to release if necessary.

The ribbed back makes the lengths non-slip, so saving the need for adhesive tape, while the pre-split makes installation quick and easy

- 1.8 Metres in Length
- Linkable for Long Cable Runs
- Protect Cables and Prevents Trip Hazards
- Non Slip Material
