Overview

Connekt Gear (5m) UK Plug to 2 Pin C7 (Figure 8) Mains Power Cable (Black)

A standard UK mains power cable generally used for powering laptops from a UK power supply.

Features high quality components making this cable suitable for use in both the home or professional environments with a wide range of electrical products.

- Fully moulded UK plug comes fitted with a 5 amp fuse
- Plug is fully tested and ASTA approved
- Cable and connector are fully tested and CE approved
- Conforms to the BS1363/A British Standards & Electrical Equipment Safety Regulations
- A flexible moulded collar at the end of the connector protects the internal wires from any undue stresses or strains
- No packaging - cables are supplied single hanked
- Lifetime cable warranty
