Overview

Connekt Gear (2m) Elite Mini Display Port to DVI Connector Cable male to Male (Black) Gold Connectors

Mini Display Port to DVI cable provides a high-performance connection from your Mini Display Port PC to your DVI display.

This handy cable eliminates the need to replace equipment by allowing your Mini Display Port device to be connected to a display that uses the older DVI technology whilst retaining exceptional picture quality.

- High quality Mini Display Port to Display Port cables are ideal for use in professional AV, office & home installations
- Supports Full HD (High Definition) display - 1920 pixels (horizontal) x 1080 pixels (vertical) of resolution
- Gold plated connectors provide greater connectivity for a smooth and secure signal transfer enhancing your overall experience
- A flexible moulded collar at the end of the connector protects the internal wires from any undue stresses or strains
- PLEASE NOTE: This cable only works from a Mini Displayport source to a DVI display
- Supplied in full retail packaging
- Lifetime cable warranty
