#### Connekt Gear (20cm) DVI-D (24+1) 2 x DVI F Splitter Cable

This DVI-D Monitor splitter cable provides a high-performance connection from your DVI enabled PC to 2 x DVI enabled devices.

Splitting the digital DVI-D output from your PC to two monitors displaying the same image on both monitors.

Dual Link connectors feature a complete set of pins resulting in an increased bandwidth.

- High quality DVI-D cables are ideal for use in professional AV, office & home installations
- Works with both single link and dual link systems
- Easy grip screws provide greater connectivity for a smooth and secure signal transfer enhancing your overall experience
- Supports Full HD (High Definition) display - 1920 pixels (horizontal) x 1080 pixels (vertical) of resolution
- Shielded cable ensures an error free connection and prevents electro-magnetic interference (EMI)
- A signal that is subject to (EMI) can result in displaying inaccurate pixels
- A flexible moulded collar at the end of the connector protects the internal wires from any undue stresses or strains
- NOTE: DVI is visual it does not support audio
- Supplied in full retail packaging
- Lifetime cable warranty
