Overview

Connekt Gear (2m) Elite Mini Display Port to Display Port Connector able Male to Male (Black) Gold Connectors

Mini Display Port to Display Port cable provides a high-performance connection from your Mini Display Port PC to your Display Port display.

This handy cable eliminates the need to replace equipment by allowing your Mini Display Port device to be connected to a display that uses Display Port technology whilst retaining exceptional picture quality.

- High quality Mini Display Port to Display Port cables are ideal for use in professional AV, office & home installations
- Supports HDTV resolution of 1920 x 1080 (1080p) and the higher resolutions of up to 1920 x 1200 supported display
- Gold plated connectors provide greater connectivity for a smooth and secure signal transfer enhancing your overall experience
- A flexible moulded collar at the end of the connector protects the internal wires from any undue stresses or strains
- PLEASE NOTE: This cable only works from a Mini Display Port source to a Display Port display
- Supplied in full retail packaging
- Lifetime cable warranty
