Overview

Kensington Pro Fit Wireless Full-Size Mouse (Black)

The features that matter most in your office are comfort and reliability.

And the Kensington Pro Fit 2.4 GHz Wireless Full-Size Mouse delivers with plenty of both.

The full-sized right-handed design feels great in the hand while the 2.4GHz wireless technology is ideal for crowded office environments.

The Pro Fit range delivers performance and comfort that business users require, day after day, without any fuss.

Designed specifically for the business professional the Pro Fit range is the perfect step up from entry level input devices delivering performance that can be relied upon.

- Ergonomic design matches natural hand curvature maximising comfort during prolonged use
- High definition optical sensor delivers smooth cursor control and precise tracking
- Adjustable dpi settings for smooth cursor control and precise tracking (800 dpi, 1200 dpi)
- Secure 2.4Ghz wireless technology reduces risk of interference and is ideal for office environments
- Dedicated, thumb controlled, back and forward web browser navigation reduces time required to complete web browser tasks
- Adjustable dpi settings for smooth cursor control and precise tracking (800 dpi, 1200 dpi)
- Sculpted side panels with soft rubber panels and contoured buttons maintain comfort and grip
- Clickable scroll wheel is ideal for speeding through documents
- Professional black and blue corporate finish complements Pro Fit keyboards
- Reliable Plug &Play operation with USB connection

- PC and Mac compatible
- Requires 2 x AA batteries (included)
