Apple Magic Keyboard with Numeric Keypad (Silver) - British English APP38319

Magic Keyboard with Numeric Keypad features an extended layout, with document navigation controls for quick scrolling and full-size arrow keys for gaming.

A scissor mechanism beneath each key allows for increased stability, while optimised key travel and a low profile provide a comfortable and precise typing experience.

The numeric keypad is also great for spreadsheets and finance applications.

And the built-in, rechargeable battery is incredibly long-lasting, powering your keyboard for about a month or more between charges.
