Fellowes Gel Wrist Rest and Mouse Pad (Graphite/Platinum) BB91740

If you have a computer, then you have a mouse.

Comfort is key when working on your computer.

With the Gel Wrist/Mouse Pad, you get the comfort of gel, with the added bonus of a connected mouse pad providing superior tracking control.

- Provides exceptional support while redistributing pressure points
- Soft, durable Lycra covering withstands daily wear and tear
- Non-skid base holds wrist rest firmly in place
