### Overview

---

Q-Connect Gel Wrist Rest (Black)

Q-Connect Black Gel Wrist Rest (Pack of 1) 91737.

Working at a computer all day can be a strain on your muscles with your hands being especially susceptible to Repetitive Strain Injury (RSI) and even carpal tunnel syndrome.

The Black Q-Connect Wrist Rest allows you to use your computer with an added level of comfort and protection against RSI.

With gel that moulds to your wrist to provide complete support, absolutely everybody can use this product without any difficulty.

Wrist rest to prevent RSI and discomfort.

Gel moulds to wrist to provide complete support.

Non-slip base stays in place when in use.

Helps to avoid chronic conditions such as Carpal Tunnel Syndrome.

Makes typing more comfortable.
