### Overview

---

#### AF (200ml) Labelclene Spray

There is an easy solution to remove paper labels from surfaces! An effective solution to remove paper labels from wood, metal glass and most plastics (test first).

Available in a can with brush applicator as well as a handy pen.

Simply spray sufficient liquid onto surface of label to saturate it and leave for 4-5 minutes before peeling off label and wipe surface dry.

Repeat application if required.

Test small area before use on sensitive plastics

- AF Labelclene
- Ideal for removing adhesive paper labels without leaving a residue
- Suitable for use on wood, metal, glass and most plastics (test first)
- Pleasant orange fragrance
