Overview

AF Multi-Screen Clene (25ml) Travel Kit Pump Spray with High Quality Microfiber Cloth

This multi screen clene really is all in the name.

Multi screen clene in a travel kit to ensure you can keep your screens pristine whilst on the move.

The pump spray bottle is easy to use whilst on the move to banish unwanted grease and fingerprints that easily appear on our essential tech.

A non flammable, anti static cleaning solution to ensure your screen is 'smear free'.

Includes an AF micro fibre washable cloth, it is the ideal cleaning companion to give an excellent result on many screens including plasma, TFT and LCD.

- A gentle non-smearing screen cleaner for use on sensitive screens
- Alcohol free
- For best results spray on to the high quality micro-fibre cloth and wipe using low pressure
- Non-smearing and provides anti-static properties
- Available in a tamperproof blister pack with euro slot.
